Park entry tickets for Kanha and Bandhavgarh are now available. Please ensure that you confirm reservations as early as possible to avoid disappointment.

Madhya Pradesh Govt. has dedicated 2016 as the State Tourism Year to coincide with the Maha Kumbh Mela at Ujjain, an event that occurs once in twelve years. There are several places of interest in the state for the intrepid traveller to explore as add ons to their jungle itineraries, some of which are listed on our websites.

MARGARITA SUNSETS

Baghtola is spread across 30 acres of private reserve on the fringe of the Damokhar Buffer Zone of Bandhavgarh National Park in Madhya Pradesh. Morning and evening safaris at Bandhavgarh are the highlight of our stay. The tiger eludes us but we get a glimpse of a bear and our trips are peppered with interesting stories, thanks to Pradeep Washunkar, an ex-army man and photography enthusiast, who is a font of information on the local wildlife.

Afternoons are reserved for long massages in the comfort of my room and come evening, we assemble on the veranda near the dining hall to sip on chilled margaritas while a million stars stare down to us from the inky night sky. Baghtola serves up all the thrills of a vacation in the wild, plus the comforts of a luxury hotel - it's a wonder the tiger hasn't checked in.
